I ran for Weber County Recorder-Surveyor in 2006 and garnered 48% of the votes cast in that election! At that time, I had concerns with the management and lack of accountability in the Recorder-Surveyor's office in resolving property issues. To date, the office has been cited numerous OSHA violations that will ultimately result in fines taxpayers will have to bear. New leadership is needed in the office to adequately address issues and resolve them quickly and efficiently in a proactive manner.

My plan of action will be to implement proven leadership practices, adhere to and follow all county policies and state laws pertaining to the office, reduce the fees for services being provided to ensure that the office is offering the "best bang for the buck" for taxpayers.

A vote for Debbie Hansen is a vote to restore the public's trust, honesty, integrity, responsibility, accountability, and efficiency in the Recorder-Surveyor's office.
